

District Sports Form

Student Name: _____ Grade: _____

School of Sport: _____ Sport: _____

Date Sport Begins: _____ Date Sport Ends: _____ Departure time for practices: _____

Understanding

According to district and state regulations students are permitted to try out for sports at their neighborhood school if their school of attendance does not offer the sport desired. Students participating in extra-curricular sports must maintain the grade of C- or better in each class, meet all requirements of the LCS Athletic Academic and Behavioral Eligibility Policy, and participate at the discretion of the LCS Athletic Director and Administration. The LCS Athletic Handbook outlines the school's eligibility policies and can be found at: www.lovelandclassical.org/athletics.php.

Students may leave during last period to participate in sports not offered by LCS only if the student is in good academic standing, and the student and teachers have agreed on a plan to ensure that the student does not fall behind in their work. Additionally, students are required to adhere to rules prescribed by CHSAA for athletes.

Early Dismissal

Students who need to be released early for practices and competitions should be proactive about communicating with their last period teacher. If the teacher requires it, the front desk can issue a pass for the student to carry with them.

Students who leave early must sign out at the front desk, after which the student may wait for their parents in the lobby. If students are walking or driving themselves, they may leave immediately after signing out.

Calendar/Schedule

In order to clear the student for release, a season schedule or calendar must be attached with the LCS District Sports Form. The schedule/calendar must include: Dates for all scheduled practices and competitions, and desired release time for all practices and competitions. The District Sports Form is not complete unless a calendar/schedule is attached. Students with incomplete forms cannot be released.

Carpool

If the student will be carpooling with other students, please attach a list of all carpool students.

To accept the above policy, please sign below:

Student Signature: _____ Date: _____

Parent/Guardian Name: _____ Parent/Guardian Phone: _____

Parent/Guardian Signature: _____ Date: _____

Coach Signature: _____ Date: _____
