

Video Viewing Policy

From time to time videos or other media may be used to support the lesson. To be used in class they must meet a specific curricular objective. Parents will be notified in advance if the media contains any profane language. No media shown in class will contain sexually explicit material. Teachers must receive prior approval from the Assistant Principal/Dean of Students in order to show a video. Teachers are responsible for previewing videos to ensure that they are appropriate.

A parental permission form is to be distributed by each teacher who intends to show a video or movie beyond a five minute instructional clip, and teachers are to abide by the choice of the parents.

LCS Policy Adopted: July 18, 2011

Revised: December 15, 2016
