Students from the community are encouraged to observe Loveland Classical Schools at any time. However, any student whose presence or actions are deemed by the teacher to be a distraction, to exhibit hostility, or to interfere with the learning of other students is not prohibited.

In order to create a consistent school atmosphere for learning, students wishing to observe must arrive before class begins. Observing students may not participate in activities unless invited to do so by the teachers. Observers must not interrupt teachers or students. Observers may take notes, however, computers, tape recording, etc. are not permitted.

All student observers are required to check in at the front office and wear their Visitor ID badge until they check out. Unless an observer knows a current student and has made prior arrangements they will not be permitted to follow an LCS student without administrative approval.

We hope that you have a great day at LCS and that you will share the information you've learned with the community.
