K-12 Catalog
**DRESS CODE CATALOG**

*THIS CATALOG IS INTENDED TO BE A GUIDE.* It serves to assist parents in locating approved uniform clothing, and it is not intended to be all-inclusive. For example, although we have 6 approved shirt colors, we’ll only list one image. Additionally, not every size and variation (flat front versus pleat) is included in this catalog. Students are permitted and expected to choose what fits them best and aligns with the dress code policy. Parents and students may substitute clothing from different stores, as long as it is extremely similar to the items listed in this catalog.

A simple rule-of-thumb: If it’s not listed in the catalog or dress code policy, or if it’s not extremely similar to an item in the catalog, then you **CANNOT** wear it.

**STORES**

Our team selected a retailer that specializes in uniforms for the catalog, simply due to time constraints. During our research we found a range of prices for similar items. Below is a list of other stores we found that had similar items and met dress code policy standards.
